Your sanctuary
a home in paradise

Enchanting and inviting, The Island villas combine the grace of oriental-style simplicity with contemporary luxury. Cool, white walls and neutral tones provide the perfect backdrop to indulge your senses.

Each villa is understated yet sophisticated and provides spacious elegant and light living space. Glass walls slide back to extend the living space onto a large terrace which overlooks its own infinity-edge swimming pool. Set in the corner of the pool is a covered sala designed to offer shade for a siesta, a massage or to provide an atmospheric setting for an intimate, after dark dinner.

Peace and harmony await within the walls of your villa. Air-conditioned rooms are elegantly appointed, with cool neutral shades and glass walls and doors admitting maximum light.

The villas are designed and built to the highest specification and furnished with every attention to detail. Bathrooms are luxuriously appointed with a refreshing outdoor rain-shower; beds are large and sumptuous with crisp white bed linen.

Everywhere you look, there are subtle, pleasing touches that enhance the ambience and add to your contentment.

Entertainment is effortless. Your villa comes complete with a state-of-the-art media centre with a flatscreen television and high-speed internet access. Here, your every requirement will be met, your every expectation exceeded.

Retreating to a private island is a universal fantasy and The Island Sanctuary offers an escape into paradise, yet provides the security of a sound investment. As the world becomes ever more hurried and pressurised, the appeal of such an idyllic destination can only increase.
